at Padtayapatana Building, Faculty of Medicine, Chulalongkorn University,
Bangkok, Thailand

WORKSHOP

Workshop II: Ultrasound techniques in Pediatric Anesthesia Practice

DATE

Friday, August 17, 2018 (8.00 – 16.30 hr.)

CONFERENCE VENUE

Padtayapatana Building, Faculty of Medicine, Chulalongkorn University, Bangkok, Thailand

REGISTRATION

8:00 - 8.30 hr.

PUBLIC TRANSPORTATION

MRT(subway): Silom station

BTS (skytrain): Saladaeng station

- Take skywalk from subway or skytrain to King Chulalongkorn Memorial Hospital (cross the Saladaeng intersection).
- Walk on pavement along Ratchadamri road (recommended) or walk through King Chulalongkorn Memorial Hospital and head to Padtayapatana building. (see map below)
- There will be signs on Padtayapatana building and onsite area at Chula Soft Cadaver Training Center to direct you to the registration and meeting location.

PARKING

Public transportation or taxi is recommended due to limited parking around the venue. However, there are public parking lots (with parking fee) in front of Lumpini park and at Faculty of Political Science, Chulalongkorn University. (See map below)
